GAs can be taught in so many ways, so you are able to do what is best for you, your girls, and your Church. You can order all the materials or just go with the leader book. You can have G. A's weekly, every 2 weeks or once a month.

At my church I choose to do 2 lessons a month and 2 weeks of outreach. The first 2 weeks are lessons (the lesson on a bible story and the lesson on the monthly missionaries) then the 3rd week we are making crafts to take with us to give out or mail the next week. The 4th week we are either working in our GA journeys or going out to visit shut-ins, nursing homes, or having a lesson at a local restaurant/park. If there is a 5th week in the month we have a bible game night.

Saluda Baptist Association
