If possible, I like to order a Missions Leader book for each grade level we serve: Mission Friends Leader, GA Leader, and so on. Currently, we do not have GAs at my church because we do not have any girls in that age group.

I like to include current and possible future mission leaders from my church in our Retreat Planning. Because I attend a small church, our “retreat” is usually a lunch meeting on a Saturday for a few hours. I use the calendars in the Missions Leaders Planning Guide (p 6 and p 14-25), the SBAWMU Yearbook, and my church calendar for planning the year. I make copies of all calendars, material pages from the WMU 2020-2021 Catalog, and p 12 “Age-level Plan” in the Planning Guide. I provide copies for each leader of every age level.

I encourage each age level group to follow the Missions Calendar p 14-25 as it provides age level theme, scripture, special emphasis and resources.

We also plan our church-wide and SBA Associational mission projects and service opportunities around the Quarterly Plans as follows:
